**To**

Assistant Coordinators,  
HPSOS Study Centres, (H.P.)

**Subject:**

Sending details of the conducted PCP Classes for Class 8th, 10th & 12th  
of the session March 2026 – **Mandatory Compliance Without Failing.**

**Memo:**

In continuation of the letter Ref.No: **Ref.No:Hi.Shi.Bho.(31)HPSOS Admin/PCP/M2026/Instructions/22921-23000** Date:09-12-2025, it was directed that Personal Contact Programme (PCP) classes must be conducted only in CCTV-enabled classrooms. After completion of PCP sessions, the concerned in-charge of study centres were instructed to submit **Annexure – 1** and **CCTV** recordings to the Board office by 31-03-2026.

It is regretted that many study centres have not yet submitted the required documents. Due to this non-compliance, the Board is unable to process advance payments.

Therefore, all concerned study centres are directed to send **Annexure – 1** duly filled along with **CCTV** recordings to the Board Office by **02.05.2026** via email ([hpbosesosadm.31@gmail.com](mailto:hpbosesosadm.31@gmail.com)). Failure to submit **Annexure – 1** and **CCTV** recordings within the stipulated timeframe will render the concerned HPSOS study centre ineligible for any payments—including core staff, miscellaneous, contingency, and PCP payments. It will also be presumed that PCP classes were not conducted, and the study centre may be de-notified with immediate effect.

This is the last reminder letter. No further correspondence will be entertained, and the Board will take unilateral decisions as per existing rules.
